

# CORNER CASTING ADAPTER

CONTAINER  
SOLAR LIGHT  
SYSTEM

The Corner Casting Adapter (CCA) is a mounting bracket designed to easily attach to most shipping containers. The bracket is simply positioned in any corner casting and secured by the built in locking plate allowing mounting of lights, cameras, speakers, flag poles etc... The CCA can be easily uninstalled and re used.

## Solar LED Area Light

The Solar Light System comes complete with the CCA bracket, pole and all mounting hardware.
